

Epilogue

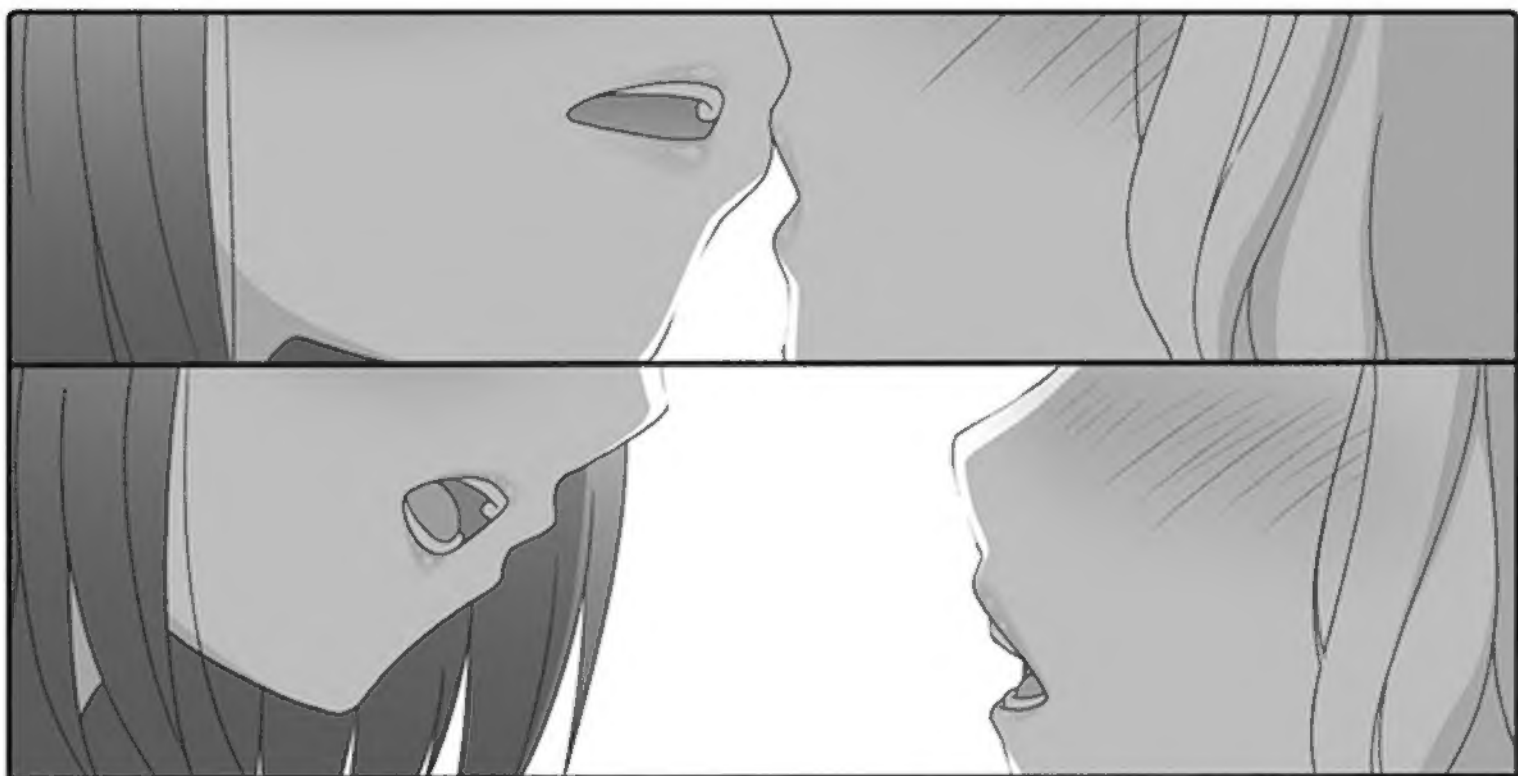

Our days went by slowly, but we'll rush along——

THAT

IS A
REALLY
NICE
YOUTH
TO LOOK
BACK AT,
RIGHT?

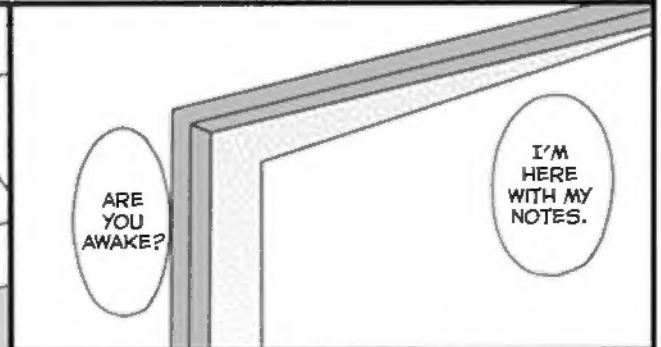

EHEHE.

NOW,
WHEN YOU
LOOK BACK
AT YOUR
DAYS IN HIGH
SCHOOL,
YOU'LL
REMEMBER
PLAYING
AROUND
AND A LOT
STUDYING.

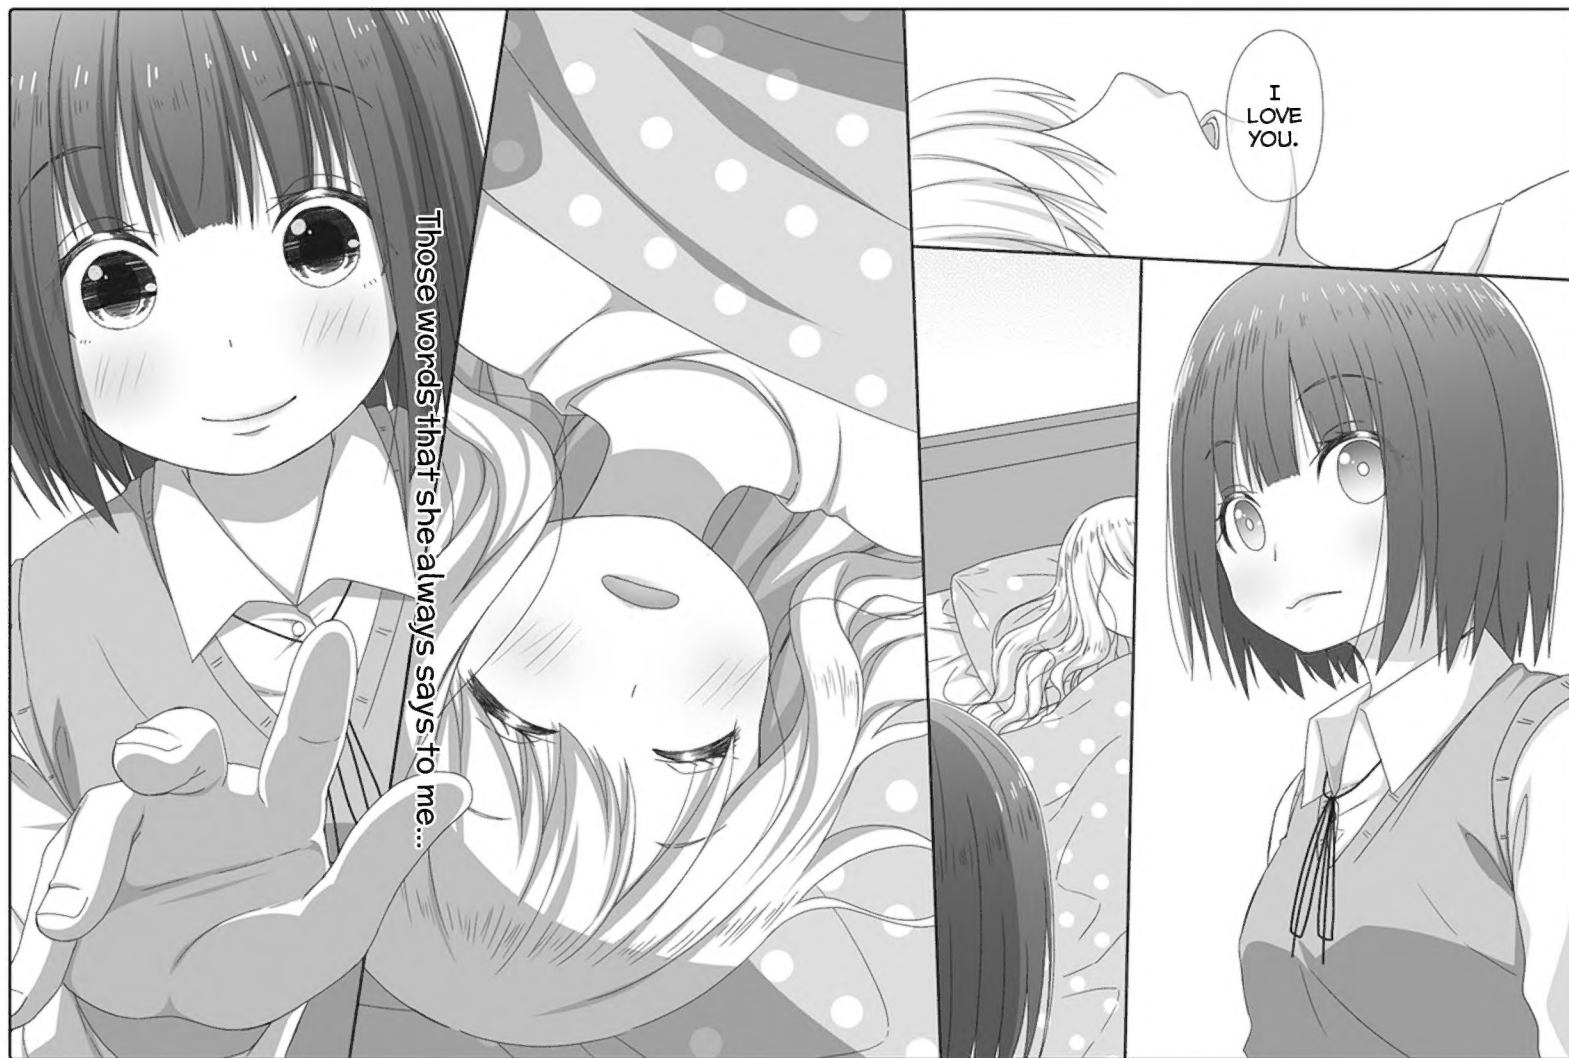

BUT YOU
CAN ALSO
SAY THAT
YOU EX-
PERIENCED
A KISS
WITH YOUR
MOST
BELOVED
PERSON.

I'm such a coward...

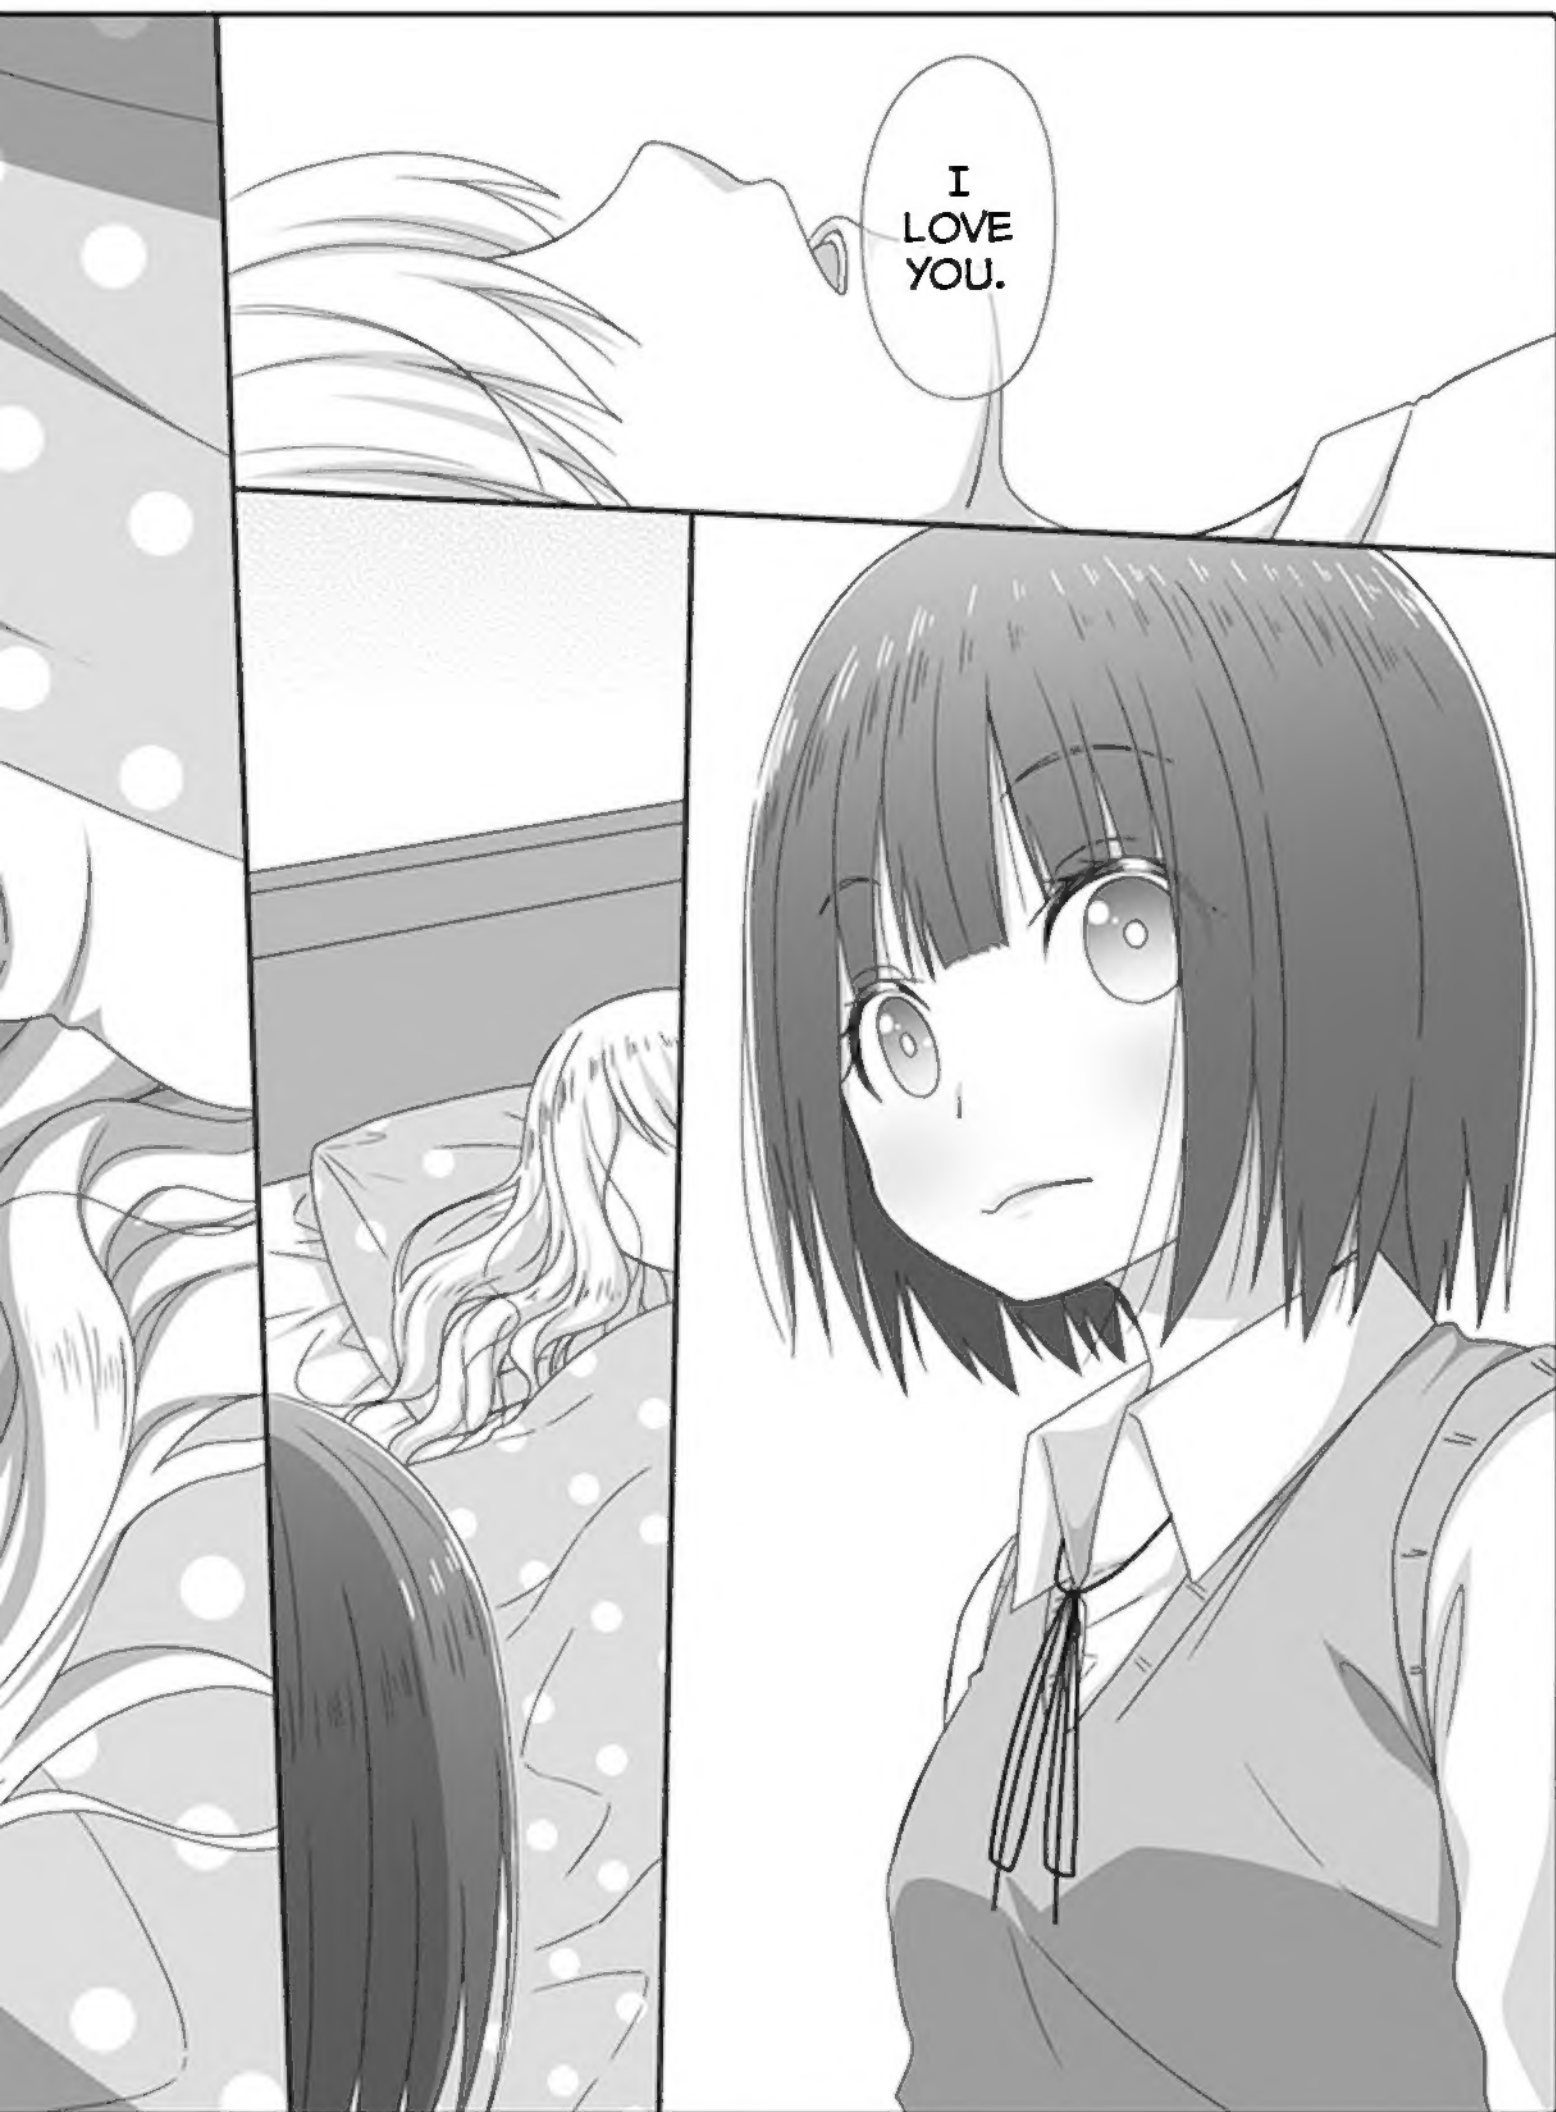

If I had just a little bit of her courage...

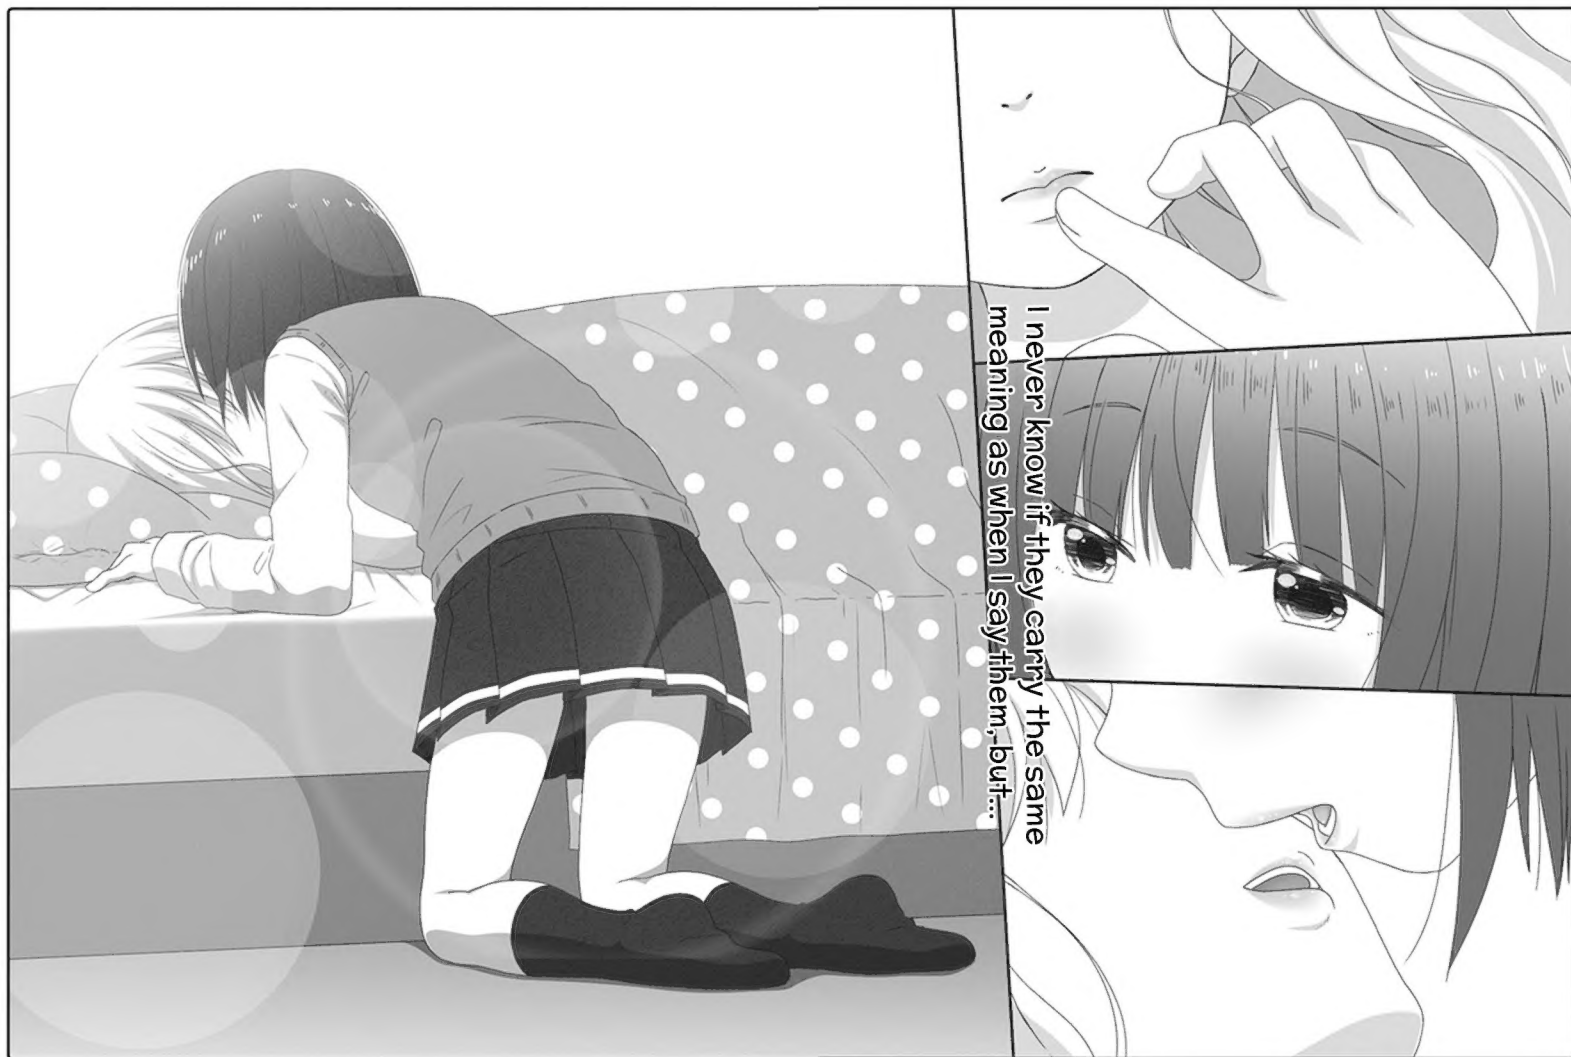

Those words that she always says to me...

I
LOVE
YOU.

Those words that she always says to me...

I never know if they carry the same
meaning as when I say them, but...

After that day,
I couldn't say it
anymore.

That I really
love you.

I trust
that in the
near future...

A day will come
where I can say it.

After that day,
I couldn't say it
anymore.

That I really
love you.

I trust
that in the
near future...

A day will come
where I can say it.

This is my long unrequited love.

Let's stay together forever.

We've been together ever since we were born.

I meant forever from now on as well.

While Yuina and Maya's story ended with this chapter,
Yuri na Kataomi-chan will continue from the
perspective of the other characters.
